

INTRODUCING

FOR THE ULTIMATE GROUNDING SOLUTION

Want the maximum level of corrosion protection? ConduDisc Elite is the answer!

The ConduDisc Elite is the ultimate in grounding protection. Acorrosion proof ground plate PLUS a conductive jacketed wire that will together extend the life of any grounding system.

No other product can outlast the ConduDisc Elite!

The Corrosion Proof Ground Plate with Improved Safety Performance

ConduDisc Elite is a fully NEC compliant conductive grounding plate that dramatically enhances the performance and longevity of utility grounding systems while virtually eliminating electrode corrosion.

Applications

- · Highly corrosive soil (containing Chlorides and Bromides)
- Wet and swampy areas
- Areas adjacent to heavy road salt usage
- · Any region where grounding conditions are extra challenging
